

# PC Support Services

Virtual Computer Repair

PC Support Services is a virtual PC repair shop designed to provide you with low-cost, convenient options for repair of Internet threats, PC performance, problem identification, and Vista training.

## **PC Diagnostic:**

Are you having computer problems and not sure what is causing them or where to turn for advice? Our guaranteed PC diagnostic service can pinpoint your exact issue and recommend a course of action. We'll build a detailed profile of your installed software and hardware, missing Microsoft hotfixes, anti-virus status, and other benchmarks, giving you a clear picture of your computer's health.

**\$24.95**

## **PC Performance Tune-Up:**

Have you noticed your new computer seems to get slower and slower as time passes? Like a car, your PC needs regular maintenance to keep it operating at peak performance. Our PC performance tune-up service includes optimizing your entire computer including your hard drive, memory, registry, Internet browser, Microsoft operating system, and software applications.

**\$45.95**

## **Virus & Spyware Removal:**

If you're experiencing problems with your PC, chances are it has been infected with viruses, spyware, or other malicious software applications that can drastically affect performance. Symptoms may include frequent pop-ups, the browser home page being redirected to a different site, or the Internet connection slowing down or even disconnecting.

**\$59.95**

## **Total Computer Care:**

If you're considering throwing out your existing computer in favor of a new one because of error messages, performance issues, or because it's overrun with viruses and spyware, we can help! This service combines our virus & spyware removal service and PC performance tune-up service, at a significant savings to you!

**\$89.95**

## **Windows Vista Training:**

If you've upgraded to Microsoft's Vista operating system, or purchased a new computer with Vista installed, and are wondering what all the messages are for, where all the things went that you were used to seeing, and how to get the most out of it, we can help! With this service, you will receive 30 minutes of one-on-one personalized Vista training via telephone.

**\$29.95**

## **Advanced PC Repair:**

Is your computer sending you error messages? Are you bombarded with application errors? Or perhaps you're experiencing more general computer-related problems and have no idea how to fix them. Let us figure it out for you through our advanced PC repair service!

**\$59.95**
