

PO Box 511 Guymon, OK 73942

PTCI appreciates you as our customer. We are initiating a new service for our credit card customers. You will continue to receive your PTCI billing statement and have time to review it before your credit card is debited. Your payment will be made automatically 10 days after the bill is mailed, and proof of payment will appear on your credit card statement.

This service will eliminate having to call our business office every month to charge your credit card for your monthly statement.

If you have any questions please call our business office at 1-800-562-2556 or in Guymon call 338-2556.

If you wish to have your credit card automatically charged each month, please complete, detach and return the form below by the 10th of the month. If you miss the deadline, your automatic credit card debit will be effective the next month.

Circle Credit Card Type

CREDIT CARD AUTHORIZATION FORM

VISA MASTERCARD DISCOVER
