Business and Family Share Options

Add up to 4 phones to any USA Select plan and share plan minutes at a cost of **only \$19.99** per phone per month.

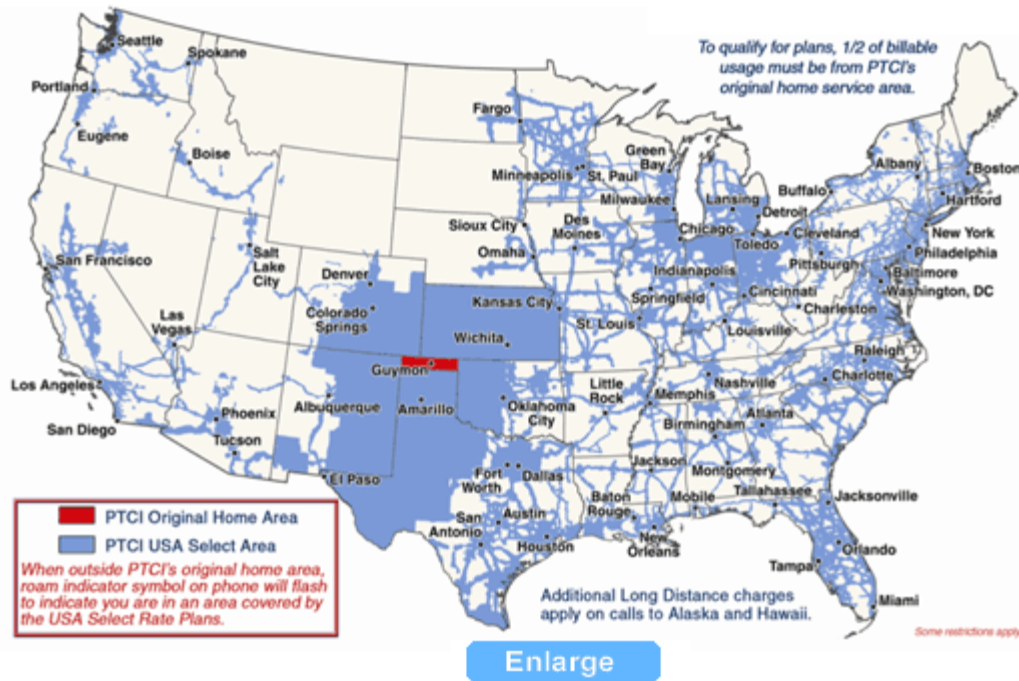

Features Pack (a \$5 value) included with each additional phone.

Take advantage of any USA Select plan and share the total combined minutes.

Each shared phone added to a USA Select plan gets **500 FREE Minutes**

To share minutes, phones must be on the same plan and same account. Additional 500 minutes per phone can only be used by the phone sharing the minutes with the main phone; therefore, they are not shared with the main number or any other phones sharing minutes with the main number. All shared phones can still share in the minutes associated with the main phone but won't do so until all minutes for the shared phone are gone.
