PTCI — Part of Guymon Elementary Land Run

The gun fired at high noon, and families with covered wagons raced toward free plots of land to call their own. It happened in 1889 to settle lands in Oklahoma Territory, and Guymon fifth graders reenacted the historic event May 5th. Families made up of Guymon Elementary students had to run from the starting line to a plot of land, pull their stake, and take it to claim the deed to the land. Students also participated in a fishing tournament, tug-of-war, egg toss, and bucket brigade, and PTCI was there to cover it all for PTCI's YouTube channel. PTCI also cooked hot dogs for part of the kids' lunches.
