Transparency Statement: PTCI is also required by the FCC to test a random set of customers for speed and latency periodically during the year. This transparency statement discloses that PTCI will perform these tests. If additional equipment is required for a selected customer for this testing, PTCI will contact the customer to schedule installation of the equipment.

For information on PTCI's Open Network Policy and Customer Information go to <http://www.ptci.net/terms-compliance-regulation>.

High Speed Internet/LTE/FTTP, Whole Home WiFi Secure Network for Home Installation Agreement

Customer requests installation of High Speed internet, LTE, FTTP or Whole Home WiFi Secure Network for Home equipment such as modem(s), Receiver(s), broadband router, extender (s), network card(s) or any other equipment used to install the service(s) by PTCI. Customer hereby waives any warranty or claim for damages against PTCI because of this installation except for damages caused by willful negligence. PTCI shall not be liable for any damages resulting from acts of God or other intervening causes and in no event shall PTCI be liable to Customer for any consequential damages which may be incurred. PTCI assumes no responsibility or liability for access to User's home network by unauthorized person.
