

Affordable Connectivity Program (ACP) Form

The ACP program is a government program that reduces the customer's broadband Internet access service bill.

Qualifying customers are responsible for the remainder of the monthly charges after the discount is applied.

Qualifying customers may change their ACP benefit provider at any time.

Qualifying customers will be subject to the full, undiscounted rates and general terms and conditions when no longer qualify for the discount, if continuing with the Internet service. These rates, terms and conditions are contained in the PTCI Internet Application. Any internet plan currently available at your location qualifies for the discount. PTCI internet plans can be found at www.ptci.net/internet/plans/. You may change, or cancel, your plan at any time, without an early termination fee.

Whole Home WiFi all locations – Full Monthly Recurring Charge-\$10.99 (used in conjunction with Internet plan for wireless connection to compatible devices.)

Free installation for qualifying customers.

The maximum discount to be applied to these plans for qualifying customers is \$30.00 per month on non-tribal lands and \$75.00 per month on tribal lands. The customer is responsible for the remainder of the monthly charges after the discount is applied.

Your internet service may be terminated after 90 consecutive days of non-payment.

When you are enrolled in the program, your personal identifiable information will be entered in the National Lifeline Accountability Database (NLAD)

I acknowledge that I have read and understand the conditions of the ACP program. I choose to opt-in.
