Prohibited Use of Service:

To help reduce the number of illegal robocalls that may originate on our network, PTCI has implemented robocall mitigation efforts to monitor our network and verify that calls originating over our network are from legitimate numbers belonging to a valid PTCI customer. In line with FCC rules, users of PTCI’s voice service are prohibited from originating illegal and spoofed robocalls with the intent to defraud, cause harm or wrongly obtain anything of value from the recipient of the call.

Termination of Voice Service:

Violation of the Prohibited Use of Service terms can result in suspension or termination of the user’s voice telephone service.

For more information on PTCI’s robocall mitigation efforts, contact Brian Hough at 580-338-2556.

For information on PTCI’s Open Network Policy and Customer Information click [HERE](#).

I have been offered account freeze protection, at no cost, to protect my account from fraudulent port-out requests.
